K MEXICO . . . National map of major highways and cities. (Available in Southern California and South Texas.)

Travelaide

CANADA

t the end of the Interstate is a BIG land! Thousands of paved miles of highway Island to Newfoundland the TRANS-CANADA HIGHWAY stretches 4,784 paved miles. Western Canada's interprovincial YELLOWHEAD HIGHWAY or route is a moving panoramic experience. The HERITAGE HIGHWAYS of Ontario and Quebec cover 400 years of history from Niagara to the Gaspé. And, in 1973, Canada has several year-long celebrations. PICTOU, Nova Scotia, is marking the Sicentennial of the arrival of "Hector", the ship that brought the first influx of Scottish settlers. Also "down east" PRINCE EDWARD ISLAND celebrates its first 100 years in the Canadian Confederation. A "family party" is the style. Frog-jumping contests and the like and a visit by the Queen. KINGSTON, Ontario, sank its roots in 1673 and marks its Tercentenary with Old Fort Henry cannonades, a re-enactment of Court Frontenac's landing and overall pageantry. "Diamonods" in the Yukon? You'll discover them there this year as it celebrates its Diamond Anniversary, 75 years after the world's most spectacular Gold Rush. And, when you see a "Mountie" in '73, wish him 100 Happy Birthdays! It's the Centenary of the internationally-famed ROYAL CANADIAN MOUNTED POLICE whose thrilling MUSICAL RIDE and equally famous BAND are busier than ever with colorful events coast-to-coast. So, when you reach the border, go on over. No passport required by U.S. citizens or permanent residents (just bring proof). Welcome's the Word. Canadians like to have friends in, any time, to EXPLORE CANADA with them. eek - Rain or shine. arineland and Game Farm 657 Portage Road, Niagara Falls, Canada elephone (416) 354-4014
